## COMPANY OVERVIEW

Savage Industries LLC is a VA-certified SDVOSB federal prime contractor specializing in janitorial, custodial, and grounds maintenance services for VA medical centers, CBOCs, and national cemeteries. Owner and principal PM Zachary Savage — a service-disabled veteran — provides hands-on program oversight and direct CO accountability on every contract. We partner with experienced regional subcontractors to deliver field-level execution while maintaining full FAR compliance as the certified prime.

## CORE COMPETENCIES

- Healthcare-Grade Janitorial Services — VA CBOCs, VAMCs, and federal medical facilities under NAICS 561720
- Grounds & Cemetery Maintenance — NCA National Cemeteries and Pacific District sites under NAICS 561730
- VISN 19 Local Market Expertise — Idaho Falls VA CBOC (minutes away) and Pocatello VA CBOC (~45 min)
- SDVOSB Prime Contract Management — 50% cost-of-performance compliance, QC oversight, CO communications
- Base + 4 Option Year Contracts — structured for long-term VA and DoD service delivery
- Rapid Mobilization — established sub-partner network, fully executed MOUs, Day-1 operational capability

## PAST PERFORMANCE

Savage Industries is a growing SDVOSB prime contractor building its federal performance record. Per **FAR 15.305(a)(2)(iii)**, a lack of prior federal performance shall not be evaluated unfavorably. Our established teaming partners hold extensive documented federal contract histories with VA medical centers, national cemeteries, and DoD installations — full references available upon request.

### Partner Federal Experience Includes:

- VA medical center janitorial (multi-VISN, recurring SDVOSB set-asides)
- NCA Pacific District cemetery grounds maintenance (17-site network)
- Federal healthcare facility support services

## DIFFERENTIATORS

- VA Veterans First Priority — SBA VetCert SDVOSB certification gives mandatory procurement preference over non-certified vendors
- VA Sole-Source Authority up to \$5M — eligible for direct award without competition for qualified requirements
- Idaho Local Presence — fewer than 5 active SDVOSB janitorial primes competing in VISN 19, vs. dozens in VISN 22
- Direct Owner Accountability — Zachary Savage serves as PM on every contract, not a hired manager
- Audit-Ready Compliance — monthly PM timesheets, QC reports, and CO logs maintained to FAR 52.219-27 standard from Day 1
- Established Sub Network — vetted regional partners with insurance, W-9, and federal experience in place before award
